Go ahead, we know you wanna look. That's cool, let your eyes drift rightward. Who the hell would want to read what we've got to say when there's a chick as hot as Abigail lying right beside this Editor's lament. ROLLING IN THE DOUGH

I don't want to sound vain, but I am a hot-looking brunette from New York in my mid 20's. My fiancé, Jimmy, and I have been together now for four years. He is a great guy and I am totally devoted to him. However, I was not always the quiet, proper homebody that I am now. We were planning a dinner party one night, so I took the day off from work to clean the house and prepare for our guests. While cleaning the den, I came across some of his porno magazines. I started to gaze through one of your magazines and became intrigued by the letters people had sent in. Some of them brought back memories of my college days. There is one special experience in particular that I wish to share:

For five years, I worked for a man in his 30's named Sal who owned a bakery in Brooklyn. He was a good-hearted boss and I always admired him. As I matured, my views of him changed—from admiration to lust. It was difficult not to since he was such a handsome, muscular man. I would watch him kneading the dough with his powerful hands and frequently fantasized what it would be like to have those brawny digits squeezing my ass and kneading my breasts. He always wore an athletic t-shirt due to the heat generated from the ovens. This made it more difficult for me to contain my lustful mind. I often noticed him looking at me with a playful eye, and at that point, I couldn't wait any longer. It was time to find out what kind of man he really was. Although I was 19 at the time, I remember it as if it was yesterday.

Sal was working long hours one week preparing for an upcoming party. Before leaving one afternoon, he asked if I could come in two hours before opening to help him. That morning, we both were working diligently with occasional exchanged glances and winks.

Then, I accidentally spilled a spot of oil on my blouse. "Oh damn," I muttered. "My blouse." I went over to the sink to clean it, to which Sal said, "Here, let me help you with that." He took hold of the pocket and started to scrub the spot and our eyes connected. I was trembling feverishly as we were within inches of one another.

I don't recall how it happened, but I lost total control. I slowly leaned into him and kissed his lips. In an instant, I felt his muscular arms gripping around me like a python. My fantasy was finally about to come true. Our tongues intertwined as he peeled off my blouse. Sal unhooked my bra with one hand, exposing my firm, tender breasts. He held them in his hands and started sucking my nipples. My slit soaked through my panties and pants as I pressed my lower body up against his. I could feel the power of his rock-hard trouser serpent trying to bust free. I pulled his pants down to his ankles and ran my fingers upward on the inside of his legs cupping his balls in my hands.

**PALS CELEBRATE
SUCCESS WITH A
FOURSOME**

To commemorate the success of their steakhouse in New York, business partners, Zack and Don, went to Vegas and picked up two hot blondes. But, for Zack—the taller one—the situation took getting used to. Even though they'd known each other since they were kids, Zack and Don had never sex in the same room at the same time, and although the idea seemed great in theory, in reality it blew Zack's mind. Don wanted a foursome, but Zack kept saying he wanted to be alone with Fiona—the blonde in the white dress.

ZACK & DON'S VEGAS ADVENTURE

GET US ON YOUR CELLPHONE AT

Don's preference won out as, indeed, his adventurousness was really what made their restaurant a success, too. Zack was more the numbers guy, but Don was the showboat that got written up in the gossip sheets. Realizing that he might not even be in these situations, sexual or financial, if it wasn't for Don, Zack finally jacked himself into the spirit of the occasion and was soon fucking up a storm—filling Fiona's mouth with his dick while Don did the honors with Francesca's lips. Both pals were equally delighted by Francesca's full bush, which added spice to the occa-

sion with its novelty in this era of shaved snatches.

The girls were oblivious to the complexity of the guys' experience. Possessed with looks but not wealth, they'd come to Vegas for some gambling and sex and were rolling with the punches. Today, they were blowing millionaires; tomorrow they might fuck cowboys. As long as guys took them to nice restaurants and bought them a few presents, they'd be happy. And yeah, if they got to New York, they'd be sure to visit Zack and Don's Steakhouse, especially gratis! A cock was a cock, but a good rib eye was a steak! ♦

New Adult Star, Chanel Preston, is Poised For Superstardom

She has the looks of a super model, an inviting personality and an unrivaled sexuality! She is Chanel Preston and she has just launched her adult entertainment career. Hailing from Alaska, Chanel took to the spotlight at a young age. Preston took acting classes and performed in local plays, excelling at Shakespearean theater. As an adult, the stunning brunette entered the world of exotic dancing where she quickly excelled and established herself as a popular dancer. Preston has now chosen to make the leap to become an adult entertainment actress, and as she has found success before, she is doing it again! Already, the top companies in adult have taken notice of the 5'8" beauty. Vivid and Digital Playground have both filmed Preston for recent productions.

"I'm very excited about this new phase of my life," Said Chanel. "I plan to bring sultriness to my scenes as well as give an erotic performance. I want people to watch my scenes and get as turned on, as much as I am while making them." Chanel recently worked on the newest installment of Digital Playground's award winning *Jack's P.O.V.* series. Vivid had the privilege of shooting Chanel's very first scene for their aptly titled *Brand New Faces* line. Chanel also appears in Wicked Pictures's hardcore blockbuster, *Hooked*. The Write STUFF!

(continued from page 6)

I worked his underwear down to the floor. His throbbing cock was staring me in the eye, aching to be sucked. And boy, it was huge! "Oh my god, I don't know if I can handle all that!" I said. "I will be very gentle, Veronica," He reassured me. I started to lick his cock from all angles, feeling the whole thing in my mouth. To my surprise, I devoured it deep into my throat. It was so hot; I could feel it bouncing off my tonsils. Back and forth, slopping and licking, I enjoyed every inch of Sal's manhood. I knew he loved it as much as I did when he put his hands behind my head and started thrusting his cock back and forth in my mouth. I felt it swelling like a balloon. I didn't want him to bust until he fucked me.

I pulled his cock out of my mouth and hiked my ass up on the table. "Fuck me now! Fuck me hard!" I demanded. I threw my legs over his shoulders as he gently worked his massive head into my tight and hot, wet pussy. I couldn't wait for him to "gently" work the rest of it in. I grabbed his ass and slammed him deep inside my twat, savoring every minute of it. He fucked me with the power of a steam engine—back and forth, back and forth. I never sweated so hard in my life. I felt one of the biggest orgasms of my life coming on. "Oh god," I screamed, as my body shook and my toes curled. "I'm cumming—don't stop! Deeper, harder!" I felt myself being launched into orbit as my pussy was convulsing with multiple spasms.

Drenched with excitement, my cream flowed out of my pussy onto the table and to the floor. Sal was still riveting me like a marathon runner. His balls were so full and ready to erupt. As he thrust outward, I pushed him away. I slid off the table down to the floor on my knees. "I want to taste every drop of what you have locked up inside of your balls." I grabbed his cock with both hands and stuffed it into my mouth. My tongue was wrapped around it as I glided from end to end. Sal's legs began to tremble and I knew it was the final moment—and I was ready for him. "Oh, oh, oh!" He shrieked, as he pumped a deluge of thick white cream into my mouth. It was so much that I couldn't hold it. I pulled his beet-red cock out of my mouth just as he unleashed three more blasts. They ricocheted off the side of my face onto an empty bowl. I dipped my hand in the bowl and licked off his cream like delicious icing.

We continued our early morning adventures for the duration of my employment at the bakery. To this day, I say with conviction, the best baked cookies I've ever tasted were hand made by Sal, but they never tasted so delicious as when I got to lick the bowl—filled with his special frosting. —Veronica, Bay Ridge, NY

TAXI CAB CONFESSION

I'm one of those guys who always reads your fine magazine, but never thought he'd be writing in it. But, I think I have a hot enough story to share with your readers. I guess I'll tell you a little about myself first, since I'm always interested in where a dude's coming from when he writes in about a hot encounter. I make my living—if you can call it that—as a taxi driver in a medium-sized

town in New Jersey. I guess I'm lucky to make the amount of money I do, since it's not like I went to college or anything; or was once a doctor or some professional who fell from grace. You probably can call me angry, since life is hard, and I have little family and few friends. I mostly just drive, sleep, and watch tv (when the fucking cable company doesn't shut me off for late payment, that is). Being what might be considered middle-aged, I don't get much pussy (actually, no pussy) and even my hand seems to have slowed down the last

couple of years. Then last Wednesday I sort of hit the jackpot—without winning the lotto, that is. They say even a blind squirrel finds a nut every so often. Well, this time, my nuts got found!

It was about ten p.m. and it had been raining all-day and evening when I was cruising one of the seedier parts of town. I sometimes drive there to see if I can get lucky and pick up a whore who might need a ride in exchange for a blowjob. Let's just say, it's always slim pickins.' So, on this night I was driving slowly, hoping to at least ogle some tramps in sexy clothes, when I see what looked to be a shapely body standing in front of an expensive car with its hood up. I pulled over, opened my window and was met by a very pretty redhead who shook her head as she looked under the hood. Obviously, she

SECRET DELIGHTS OF THE DAY!

IF ONLY GIRLS COULD REALLY LET LOOSE IN THE OFFICE!

If we could only peer into the minds of office workers! What goes through their heads? For example, how many scenes of seduction and lust scamper through the brains and imaginations of sapphic ladies when they survey their appealing co-workers?

You can be sure that when a girl craves another girl across an office, that her underpants are dewy with the physical evidence of her day-dreaming. Perhaps she slips her hand furtively under the hem of her skirt to savor with her fingertip the naughty evidence that oozes into the cotton crotch from the lips of her cunt?

Humankind is constantly evolving, and wouldn't it be wonderful if bi girls could someday have sex telepathically without even leaving their desks? This way, their bosses would have no clue of the clinches happening in the invisible dimension between two minds?

Let us imagine our two lovely brunettes here had just such telepathic powers. If we showed you reality, you would see them at their assigned tasks, working hard to stay on track with their financial goals and dreams. To unschooled eyes, they would appear to be tapping away busily at their computers, answering calls and analyzing reports.

But, to knowledgeable eyes—the eyes of those who understand what goes on in the minds of office workers (and we here present the spectacle seen by such eyes)—they are engaged in wondrous licking, sucking, caressing, probing, and kissing—a sapphic spectacle of intimate proportions that is the true pleasure of their workday, its real purpose, and ultimate aim. Unseen in the real world, but vivid in the dimension linking their minds, they really are indulging the secret delights of their day!

BABY GOT BOOBS 2

STARRING: Aletta Ocean, Rachel Rxxx, Angelina Ashe, Madison Scott, Jessica Lynn, Mason Moore, Keiran Lee, Charles Dera, Scott Nails, James Deen, Billy Glide
DIRECTED BY: N/A
AVAILABLE FROM: Brazzers

Gathering a crop of chesty babes is not that difficult a task in the adult arena, although grouping six of the sexiest babes into one production is quite another story. This is precisely the recipe concocted in the second installment of this series that highlights young hotties with bangin' headlights.

With comical setups that perfectly align with every porno cliché, Rachel

Rxxx is the first girl up at bat. In her attempt at winning the "Miss Big Boobs" pageant, Rachel does a fine job of swaying Charles Dera's vote by cramming her rack in his face and tucking her feet behind her ears to take it hard in mish.

Aletta Ocean—a European fox—is easily the prettiest of the bunch. She looks even better when dousing her tits and her massage client with scads of warm oil before treating him to multiple positions of pussy and mouth love.

The pace weakens just slightly in the following scene when Angelina Ashe is visited by James Deen. Although his performance is perfectly on par with what we'd expect from a "Male Performer of the

Year," hers is slightly weaker and a bit uninspired.

This is clearly not the case when Jessica Lynn and Billy Glide collide. Watching her ride his pole like a whore in heat is great—as is watching Charles Dera treat Madison Scott like a ragdoll.

★★★★★

EXTRAS: The bonus fuck scene starring Mason Moore and Keiran Lee is scorching hot. The bank of trailers and slew of hardcore pictures are also quite nice. Both will ensure your cock stays hard and happy. It's a high profile, big tit fun—from A to DD!

CHEERS: A XXX PARODY

STARRING: Monique Alexander, Alexis Texas, Sara Stone, Suzanne Kelly, Katie St. Ives, Annabelle Lee, Amber Swift, Mr. Pete, Joel Lawrence, Evan Stone, Otto Bauer, J. Walker (non-sex)

DIRECTED BY: Lee Roy Myers

AVAILABLE FROM: New Sensations

Boston's favorite watering hole is revisited like never before when the old gang from "Cheers" reconnects to deliver round after round of comical antics and plenty of hardcore sex in this stellar parody being presented by director Lee Roy Myers.

The show begins with Cliff (Evan Stone) and Norm (J. Walker) trying to win the affections of Suzanne Kelly—a hot

bar patron. When their charms fail to impress, Sam (Joel Lawrence) pops in to serve this girl up something nice and wet in the back office.

Feeling empty after the experience and still hopelessly in love with Diane (Monique Alexander), Sam begins to sell off his wares in the hope of winning her affection. One such item is his sports car which Frasier (Otto Bauer) gladly purchases to impress Lilith (Alexis Texas). What transpires is the hottest fucking scene in the movie with incredible oral given to each.

Cliff later has a go with Katie St. Ives in the billiards room, while Carla (Annabelle Lee) gives a notable performance both while acting and when screwing Amber Swift across a billiards table.

The romp between Rebecca (Sara Stone) and Woody (Mr. Pete) is also quite memorable, although the piece de resistance occurs in the end when Sam finally nails Diane's stuck up ass to the walls. Cheers!

★★★★★

EXTRAS: The extras prove to be just as irresistible as the main course when offered up is a "party version" of the story that is sixty minutes long. The BTS footage is also second to none, while the bonus sex scene with Alexis Texas is enough to blow you away. In addition to that, look forward to hot images, trailers, and iPod compatibility. It's time to tilt your glass and propose a toast because "Cheers" has got you covered!

AVAILABLE FROM: Digital Sin

If watching horny schoolgirls prance around in plaid uniforms and be fucked by seasoned studs is your idea of a good time, then this offering by director Paul Woodcrest is right up your alley.

Not only are the five featured ladies fresh and beautiful, but these girls can fuck. Taylir Scott is one such babe who goes the distance with Alex Gonz.

Despite the fact that he is the more seasoned of the two, Taylir dominates the

scene, especially in reverse cowgirl.

Dylan Riley, the cutest of the bunch, is a wet dream come true. From her platinum blonde hair to her incredibly perfect rack, Dylan fucks her way to the top of the class when taking a pounding by sexy veteran, Anthony Rosano.

Bliss Lei makes sure she's not counted out in the next scene when she tries her best to deliver Alex Gonz a porno-style blowjob. What transpires is actually a bit more amateur in nature, but still incredibly cute by all accounts. She gets an A for effort!

As if Alex wasn't lucky enough, he is at it yet again with Katie Michaels. Fairing off slightly better in the BJ department, Katie sucks head like a champ and looks great

when taking it deep in doggie position.

Finally, Jessi Stone ends the show and is a delight, ultimately delivering the hottest scene of the movie.

★★★

EXTRAS: Not only do you get the privilege of choosing your favorite sexual position from your remote control, but you get to enjoy a complimentary bonus sex scene as well. When finished there, check out the array of naughty pictures and the trailers for movies that are right around the corner. In addition, the 16x9 Widescreen capability is another added bonus that helps make the extras oh so sweet!

INNOCENT UNTIL PROVEN FILTHY 6

STARRING: Madison Ivy, Riley Winters, Ashley Jensen, Jaslin Diaz, Victoria Lawson, Hannah West, Erik Everhard, Mr. Pete

DIRECTED BY: Erik Everhard

AVAILABLE FROM: Erik Everhard Entertainment

No woman is safe with Erik Everhard on the loose. In the sixth installment to his "filthy" franchise, Everhard gathers a solid mix of new and existing porn stars. Through two discs, his mission is to have these ladies turn in their angel wings for some horn in what becomes a bountiful buffet of beautiful babes.

Ashley Jensen—the bell of the ball—

is perfectly primed for the picking. Not only does she exude youthful exuberance, but looks downright amazing when taking a lickin' from Everhard. Her cum faced finale is simply icing on the cake.

Riley Winters—a cutie with an incredible booty—is another one worth mentioning. With a pretty face and a curvier, sexier body, Riley gets worked into and out of several heated positions. Eager to go along for the ride, Riley takes everything Everhard throws at her and then some.

Jaslin Diaz is another one who can take a pounding, but not as well as Hannah West who goes all out by shoving Everhard up her ass in an unforgettable scene.

Pretty Victoria Lawson also rises to the

occasion when faced with this celebrated heavyweight. Although outstanding, Madison Ivy's the most eager to shed her wings when she takes on Mr. Pete and Everhard at the same time in what becomes the knockout scene of this production.

★★★★★

EXTRAS: The lengthy BTS footage is a fun way to round out the viewing experience, while the sexy images help to showcase the best parts of the movie. The ante is raised with the cumshot recap option, and the inclusion of hot new trailers is definitely worth a peek. Also good is the 16x9 anamorphic widescreen option that ensures nothing gets left out.

★★

KRISTINA ROSE IS SLUT WOMAN

STARRING: Kristina Rose, Chayse Evans, Charlotte Vale, James Deen, Manuel Ferrara, Mick Blue, Mr. Pete, Johnny Stranger, Johnny Fender, Criss strokes, Mike Hash, Rob Banks, Arnold Schwarzenpecker

DIRECTED BY: Mason

AVAILABLE FROM: Elegant Angel

Easily, Kristina Rose is my favorite performer. In this high-octane fuck fest, Kristina demonstrates supercore sex in a movie that is not for the faint of heart.

The door is busted down in the first scene when Kristina delivers a community blowbang session to six waiting wangs in the back of a warehouse. As can be expected, her oral skills are impeccable and the

cum slather to her chops are legendary.

Once cleaned up, Kristina is joined by Manuel Ferrara, where he rams her asshole and makes her earn his monster load by banging her out in every position imaginable. The results are award-worthy and the chemistry electrifying.

Despite the fact that most people attribute lesbian sex to being sweet and soft, Kristina and Chayse Evans are here to prove otherwise. In a nasty scene that is on par with all the others, Chayse bosses Kristina around before forcing her mouth and asshole open with the help of a huge dildo. Brava!

Never skipping a beat, Kristina is back in action with James Deen and Mick Blue in what is her first ever DP on camera.

Again, the action is erotic and so damn hot that watching this movie in segments is necessary.

In the end, Kristina is joined by Mr. Pete and Charlotte Vale in what becomes a wrestling match of twisted bodies and anal sex. Holy shit!

★★★★★

EXTRAS: Usually the behind-the-scenes play in most productions is rather generic and stale. This is not the case in this production. Through candid interviews, you get to experience the essence of Kristina as a person and as a performer, which makes for an interesting watch. The stills gallery is also quite nice as is the cumshot recap option that showcases the slop.

★★★★★

MAKE ME CUM

STARRING: Meggan Mallone, Amea Moretti, Kristina Rose, Misty Stone, Mick Blue, Alex Gonz, Jerry, Steve Holmes, James Deen

DIRECTED BY: BSkow

AVAILABLE FROM: Vivid Entertainment

Whereas the Vivid of late used to pride themselves on producing high-end features with awesome production value, this reincarnated Vivid seems to be more interested in gonzo style productions instead. Not to say that this is a bad choice, but just be aware that this is the type of movie you will be getting.

As usual, director BSkow really knows how to squeeze the very best out of his starlets when interviewing and making

them dance for his camera. His personal interaction, and obvious friendship with Meggan Mallone stands above the rest. With a comfort level that makes her seem quite vulnerable and cute, Meggan works hard to please Alex Gonz. Her blowjob skills have also improved here, while her freshly shaven slit looks great when being stuffed.

Amea Moretti, who prances around like a go-go dancer, demonstrates the most spirited tease session. Jerry—her cock for the day—definitely makes great use of this pint-sized Latina especially when he makes her take it in reverse cowgirl.

However, Kristina Rose is the one who will make a lasting impression. With an incredible butt and a soft voice that can

practically will the sperm from your hose, Kristina works her magic and pussy all over Steve Holmes in the best scene of the movie.

Misty Stone is also quite intoxicating and is perfectly paired along side Mick Blue.

★★★

EXTRAS: What comes as a huge disappointment is the lack of extras represented. Vivid used to be the best and make every effort to impress in this respect. In fact, all that is included is some more BTS footage, matching BTS snapshots, previews and commercials for Vivid products. There aren't even any hardcore photos or extras scenes to sweeten the pot. What's up with that? Perhaps it's a sign of the times. ★

FEATURE

There are many reasons guys love a girl wearing glasses. They can make her look smart, bookish, perhaps even a little geeky. The girl with specs sometimes gets labeled less sexy than other dolls, but if there's anything we learned from ZZ Top and Van Halen videos, it is that hot chicks often linger beneath conservative attire.

As a service to the community, New Sensations took a dozen or so four-eyed starlets and set them to fucking. The result is specs-tacular, with every girl scorching hot and turning in awesome scenes. Is it the glasses that hold the secret to their success? Probably not—these girls would be gorgeous either way, but neither do the frames hold back. True lust can't be denied!

AVA LAUREN

The pair people first notice is her 40DD tits, not her glasses. Christian was as taken as anyone, sucking on her whoppers before focusing in on Ava's pussy and giving the lusty Latina a stuffing she'll never forget. When he sprays a big load, it splashes all over her chin and her gazongas, thankfully leaving her rims unsullied.

26771

ANDER PAGE

This California girl names reading and writing as two of her favorite things to do when there's not a hard cock available (which, for a girl this hot, probably isn't very often), but as we can see here, the luscious brunette doesn't take care of them very well. They are a nice fit, so she can keep them on all right, but when Julian douses her specs, some wonder if she's taken things to far. Not so far as she's concerned!

Glasses

ALICIA ALIGHATTI

She fashioned her name from Dante Alighieri, he of *Inferno* and *Divine Comedy* fame, so it's only natural that Alicia can often be seen with a book in hand. And to read those books she has to put on her specs. Here we see her taking Shane Diesel, having to be extra careful with those braces since his cock is so fat (she later told an interviewer that his prick was "too much"), and even through the pounding, manages to keep her glasses on. Who doesn't love a girl with experience?

BRANDY TALORE

Brandy is a tiny girl, standing just two inches over the five-foot barrier, and that only makes her 36DDD's look all the more bigger. When she gets on her hands and knees to suck off Chris Charming, his view is lots of rack and big, brown eyes looking up at him through brown and black frames of her mild prescription glasses. By the time he's done laying her, he's worked up a trademark gusher of a load and covers Brandy's face and her specs with white stripes.

EVA ANGELINA

Perhaps no girl in the adult industry has her look more associated with her glasses than Eva Angelina. She has said that sometimes she forgets to bring them to the set and gets sent home to retrieve them. One of the advantages is a specs-free Eva can go to the mall and not be recognized by her legion of fans. Here, she sports black and red frames as Brother Love pumps her puffy nectar much en route to a creamy sendoff.

CANDY JONES

At one point, Shane Diesel is banging sweet Candy so hard that her glasses fly off her face and onto the floor. Even with an enormous cock stuffed into her pie she worries about the eyewear. "Hold on, my glasses fell off!" She says, his dick never exiting her cooch. "They're a new prescription and I can barely see without them." Lucky for her, Shane only gets a couple small plops of his guy goo on the lenses, so she was safe to drive herself home when he was done with her.

JESSICA MOORE

Four-eyed Jessica sees double when Roly Reeves and Nick Lang both pull out their flesh sticks and put the screw to her. The glasses are helpless when her eyes roll back into her head, the guys issuing a DP of epic proportions to the dirty blonde starlet. The guys douse her tits and faces, but skip the lenses at her request.

MEMPHIS MONROE

The Kentucky cutie really gets the shaft from Steve Holmes, a man who's never met a fetish he wouldn't entertain. With her big tits and little glasses, Steve has plenty of fuel for his fire as he rolls around with Memphis, his long dong giving her pink hole some foreign service. She offers up her face as a target for his spew, and Steve, ever the professional, doesn't miss, drenching both face and specs.

TABITHA JAMES

Tabitha has big hair and even bigger glasses that look like they're always on the verge of falling off. She's not completely disheveled, though she is a little cock crazy, and Ramon (himself also bespectacled) is overwhelmed at how much meat she can take in her happy hole. Not until she coaxes the cum out of him does she settle down, glasses still askew. Behind those frames lurks one dirty girl!

MIKAYLA

Few girls look as natural as Mikayla with her thick, black rims around her eyes and a thin, brown line above her vertical smile. Mike Adriano's cock sliding in and out of her puss seems perfectly natural, too, especially when his tool shines from the dampness of her honeypot. Even when she's bent over the couch and Mike is banging her with long strokes until she cums, Mikayla somehow keeps her glasses on straight.

MORGAN LAYNE

Little Morgan is wide-eyed the moment she sees Ramon Nomar's prick. At only five-foot-one and just under 100 pounds, this tiny cock-smoker is even more impressed by his plump dog. She slurps it in her mouth and then somehow slips it into her teeny hole. By the time he shoots his load, the glasses are long gone. Still, she manages to take his dick in hand and jerk off its contents onto her pretty face. Those are pretty good instincts.

PHOENIX MARIE

Phoenix has thin frames and a rack as big as her appetite for sex. Mike Adriano is happy to take care of all of the above POV-style. She's the flexible type, so Mike folds her up and drives it home with an electric doggie style, showing off her terrific ass as he bangs her hard, after which she stays in position and douses her white buns.

BRIANA & SETH

DIE HARD
SPORT FUCKERS!

Briana has never been one to make apologies for having an enormous hunger for cock. So when she feels that all too familiar, warm sensation in her cunt, she knows that Seth and his thick, hard manhood are just a phone call away.

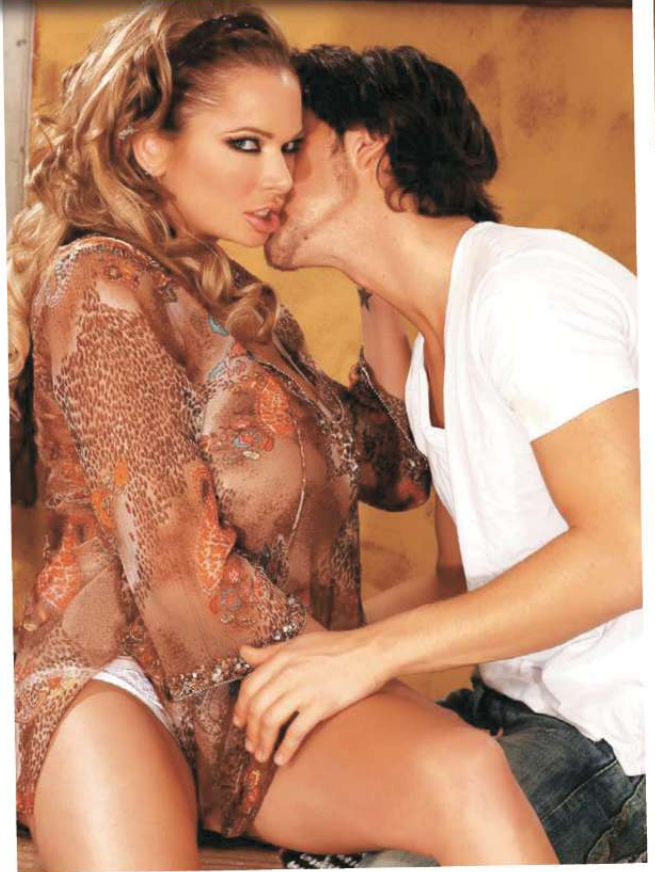

Just knowing that Seth is on his way drenches this blonde mega-whore's panties, and she can almost taste his aching tool in her throat, long before she has the flesh pipe ripped out of his pants.

Briana schools Seth on what he needs to do to keep her pleased and appeased, and a big part of what gives her pleasure is her man's quick and agile tongue. Seth works Briana's clit with his mouth until Briana's moans fill the room, and that's his cue to poke her slit with his eager bone.

Her favorite position is reverse cowgirl, as the pose gives her fingers access to rub her pink with wild, circular strokes as the cock is being throttled deep and high into her snatch. On an average night with Seth, Briana will climax at least a dozen times during their all-night bangs, and Briana makes sure Seth earns his nut-bust by catering to every one of her needs before it's his turn to get off.

The first, and biggest, load is always saved for Briana's tits, so when Seth knows he's ready to explode, he slaps the beef between Briana's killer cans while she pinches her nipples to keep her pussy dripping.

At last Briana gives Seth the nod, and he cranks his dick sauce all over her luscious mammary glands. But Seth only has a moment to catch his breath before Briana is sucking him to hardness again for round two. ♡

INTERVIEW

BRIANA BLAIR

FROM NBA CHEERLEADER TO XXX STAR!

How long ago did you come out from Atlanta to start your career here in Los Angeles?

Briana: I moved to L.A. in the beginning of August. My first shoot was the beginning of October.

How did you find out about this industry?

Briana: I moved out here and wanted to test for *Playboy*, so I went to [the] test photo shoot. I had never done a nude shoot before [and] there were a bunch of different companies there—*Playboy*, *Maxim* [and] that's where I met my agent as of now. She asked if I would be interested in the adult industry and I said yes.

Who is your Agency?

My agent [agency] is Metro Talent.

How is that working for you?

It's going really great! She's [my personal agent] helped me out a lot, connected me to some great contacts, and has really looked out for me.

Can you take us through the process that led you from working as a dancer in the NBA to being a porn star?

Well, I still dance and love to dance! It was so much fun to be part of the NBA. It was a huge part of my life. All my best friends were my teammates, but it started to get routine. I wanted to step it up—I wanted more, something different, something new and more exciting and getting into porn was something that was in the back of my mind, but I never said it out loud. Finally, I decided I'm just going to go for it!

Did anyone close to you try to talk you out of it?

In the beginning, there were definitely people that tried to talk me out of it, more out of concern, than trying to talk me out of it. They wanted to make sure that it was something that I wasn't persuaded to do, or a situation where someone was trying to take advantage of me. They wanted to make sure that it was all my decision and that I was working with good people. I'm not doing something that I don't want to do. I would never do anything that I didn't feel comfortable with. It was all my idea.

27003

What was your first hardcore scene?

It was for *18yearold.com*. It was with Seth Gamble and we were painting a room.

Did you get paint all over each other?

Briana: I did! It was very fun! I was kinda nervous going into it because it was my very first time, but surprisingly, once everything began, I wasn't nervous at all! I had a great time, and Seth was great! Seth is actually like my on-screen boyfriend. He did my first shoot, and we've shot together about 20 times!

How much porn had you seen before you got into the business?

Briana: I had watched a little bit of porn, but I wasn't a huge fan. I'd watch with past boyfriends, and was I was a huge fan of Jenna Jameson, so I saw some of her stuff. I wasn't huge into it, but I was very intrigued by it!

What was your state of mind like when it came time to get naked and have sex on the set?

Briana: Well, I thought that I was going to be scared, but I was ready. I felt like, "Let's do this!" I was excited about it! Even in my personal life, I had never had sex on camera, so it was my first time for everything. I was a porn virgin! I didn't know how I would take [to] the cameras, but the camera was a huge turn-on for me. It made sex even better for me! I was really into it!

That was very lucky for the camera crew that was working with you. It must have made their job very easy!

Briana: Yeah, they didn't feel like it wasn't something that I didn't want to do. I was there because I wanted to do it.

Are there any challenges or difficulties that go with having sex on-camera that the average person might not be aware of?

There are definitely difficulties, because when you're filming or taking pictures, it's difficult to position your body for the camera, and there are a lot of tricks that you have to do. It's not like having sex like you would at home.

What is your favorite sex position and why?

My favorite position is doggie-style. I just think that it's a really sexy pose. I feel like I have a nice ass, and besides, it feels really good! I like to be submissive, and that position is really submissive.

Does the fact that the public gets to see you naked and having hardcore sex turn you on?

It does turn me on. To me, sex is so pretty, beautiful and such an artsy form of expression—even if you're not doing it out of love, it's a love activity. I just think that it's hot! I think sexuality is a really good thing and I don't mind expressing it to everyone.

How often do you masturbate, and what's your favorite toy or method of self-pleasure?

With working, I don't really masturbate as much. I probably masturbate every other day or so, but if I'm working, then I'm masturbating on-camera. I don't need anything extravagant with toys. I like a little vibrator. That's perfect for me.

What was the funniest thing that happened when you were on a set? Anything that made you crack up on set?

Well, there hasn't been anything too crazy yet. Some of the guys can be pretty funny. What I like about work is that everyone feels like a family. Everyone is so open. The guys will walk around with their cocks out—playing with it, slapping them around—just being funny, dancing or doing the helicopter. They just want to do stuff that's funny that will make us laugh.

Have you had sexual experiences with girls?

I have, and I had sexual experiences with girls before I started porn. I was into girls before. Girls are beautiful and I had explored having sex with women before I got started in this business.

Will you be doing girl/girl scenes as well?

I have already, and I will be in the future!

CLUBXCELL.COM

Have you been able to reach orgasm during any of your scenes?

I normally reach orgasm [in] every scene! Sometimes multiple! I bat a hundred!

Have you watched any of your movie work?

I haven't watched much of my work, mostly because most of it hasn't come out yet. I have watched some on Internet sites that I've shot for. I've watched some trailers, but haven't watched the whole thing.

Do you like watching yourself?

In the beginning, I didn't like watching myself. Now that I'm getting more comfortable with myself, I like watching it.

Having come from a dancing background, do you plan on touring as an adult feature dancer?

I definitely do, and I can't wait to get out there. That's my thing. I love performing, dancing—that's what really my passion. I'll have to learn the pole tricks, but I think I'll be great at it, and I'm really excited about it!

What's the one thing would you like to reveal to your fans that they don't know about you that might surprise them?

I think that some people have the idea that I might be bitchy. I'm a pretty down to earth girl. I'm tomboyish. I like to dress-up and feel pretty, but, I play basketball, hang with the guys, drink beer [and] watch football. Basketball is my favorite sport! I do more guys things on my own than girl things.

Can you tell us about one of your most erotic dreams?

This industry has taught me what I really like, but I do have a little fantasy about being roughed around in a sexy, but fun way. I really get turned on where someone tells me what to do, so I dream about that a lot!

What kind of setting do you see your fantasy taking place in?

I wouldn't want this to be in public. I feel that it would be more intimate and hot if it were in a private place! I'd be more free to go for it!

Do you have a website that you would like to promote?

I do. It's my site, *Brianablair.com*, but it hasn't launched yet. It should be up soon. I'm working on getting together some really great content. I do know that it's going to be really, really good and hot! So keep a watch out for it! 🍌

FRANK'S LUCKY SWEATER

IF I LOSE IT,
WILL I STILL
GET LAID?

Lately, whenever Frank wanted to get laid, he wore his lucky sweater. He'd wondered how it got the ability to guarantee his dick a workout, and he came to the conclusion it was because he'd done a Good Samaritan type thing when he was walking home from the store where he'd just bought it. He'd chased away some punks who were trying to steal an old lady's purse. Yeah, he took care of them really well. So maybe it was "Karma"—like getting pussy was a prize for risking his own life with those dirtbags. After all, he'd just bought the sweater thinking, "Hey, I look damn good, and maybe it'll get me some nookie?" He'd needed help because, as happens even to the best of men, he'd hit a dry spell with the ladies.

He didn't make the connection between sweater and snatch until a few lays down the line. Then came Anita. The first thing she'd said to

him back in the bar was a compliment on his sweater.

Frank wasn't a spiritual type. "Karma" was only a word he'd heard other people use on talk shows, but with Anita sucking out a happy load from his balls, he started to think that "if maybe if you do good, you get good in return?" On the other hand, if he ever met a bitch when he was wearing the sweater, what would that say about the state of his karma? And why the fuck couldn't he just concentrate on Anita's beaver without getting all cosmic about it?

"You think too much," His buddies always said. And damn, they had a point! ♡

Just You & Me

Locked in a million dollar mansion, 14 of the most celebrated starlets, cherry-picked by award-winning director, Brad Armstrong, converge in this highly stylized offering. With dynamic porn pairings, elaborate costuming, and voracious appetites for female flesh shared by each participant, *Just You & Me* explodes into an all-girl extravaganza. In its wake, it redefines what premiere lesbian erotica can aspire to when created with the expert finesse of a true porn visionary.

That vision is overtly present the moment I walk onto Armstrong's sexually created wonderland and spot the most beautiful girls roaming the halls. To my left, Charlie Laine helps fasten Tori Black into a leather posture collar while playfully stealing soft nibbles of her tan shoulders. Off to the right, Nikki Benz is hard at work buckling McKenzie Lee into a vinyl corset, despite the fact that her huge tits simply won't fit. Behind me, I can hear the unmistakable sound of spiked heels clicking against marble floors, zippers fastening and fingernails sliding up the length of fish-net stockings. And the smell that can only be described as vanilla-scented pussy that permeates through the open space. Thankfully, Armstrong has honored us with a ringside seat into his domain where sexy women reign supreme. With festivities as fine as these, are you ready to be swept away in a sea of female fantasy? Of course you are!

Without a moment's hesitation, the first scene of the day begins right on cue. Tori Black and Charlie Laine glide into the living room and settle on two leather chairs that are placed side by side. Their outfits are

extreme—with both girls in dominatrix-inspired gear that have been strategically constructed so all the good parts spill out. Before Armstrong is able to relay his vision to the glamorous nymphs, Tori pins Charlie against the leather chair and wedges her tongue inside her already wet hole. "This is exactly what I've been craving," She purrs, running her fingers around Charlie's thighs until her skin springs to life with goose bumps. Armstrong quickly backs up and lets the natural rhythm of the girls unfold.

"Fuck me with fingers," Charlie moans, as Tori tries to unlatch her lips from her pussy despite the fact that it remains connected by webs of pussy stringers. Without the need for synthetic moisture, Tori works in her digits—one at a time—until she is three fingers committed. To further stretch Charlie out before bringing out the big toys, Tori holds her fingers in place at the knuckle and urges Charlie to glide up and down. Almost instantaneously, Charlie explodes with her first orgasm the moment Tori swaps out her fingers in lieu of a slender fuck stick. "Turn it up, Tori," Charlie pleads, in a desperate attempt at chasing down another orgasmic blast with the good vibrations.

26859

"AFTER WATCHING THE WAY ASA MANEUVERED THE VIBRATOR IN HER MOUTH, MCKENZIE TRIES TO DO THE SAME THING TO HER BOTTLE BLONDE FRIEND."

When it's Tori's turn to be plugged, Charlie holds another toy in place on the floor and has Tori squat on top of it. With incredible action, Tori rides the toy hard, pinching her tiny titties while spilling her clam juice over the shaggy white carpet. "What a way to begin the day," Armstrong sighs, obviously enamored by these two choice chicks. Yeah, we kind of like them, too.

With energy in the room that remains electric, Monique Alexander and Asa Akira enter into their scene, hoping to expand on the palpable vibe that has everybody reeling. "Think we can do as good a job?" Monique asks. Asa smacks Monique on the ass, slips her hot Asian tongue down her throat and responds, "Even better!"

Feeling exceptionally horny for one another, Asa takes on the more dominant role from the start and bends Monique in half until her ass blossoms before her. After spitting a wad of saliva onto her beefy beaver and wedging her wet fingers around the spongy meat, Asa goes straight for a diamond-studded toy. She spreads Monique open with both hands, places the toy in her mouth, and buries her face inside the pink palace. "I can feel the tip of your nose tickling my asshole," Monique hums, as her hips begin to rock back and forth to connect with Asa's beautiful face.

After several minutes of intense girl on girl heat, Monique treats Asa to the same oral pleasures. Before their time is up, Asa positions Monique on top of her body in the sixty-nine position so they can grind their wantons into a saucy finish. Once each girl has climaxed, they continue to lay on top of each other in a futile attempt at catching their breath.

As the day turns into evening, it is finally McKenzie Lee's opportunity to turn Nikki Benz into her personal plaything. This doesn't take much coaxing, as the girls have been caught making out with each other all day. Apparently, McKenzie's sexy English accent has Nikki's panties in a sticky bunch.

"Come over here you sexy bitch and let me fuck you,"

McKenzie purrs. Nikki's panties practically peel down magically with each word spoken from the hot English muffin's lips. When McKenzie is finished, Nikki is found sprawled out on a leather chaise, pinching the tips of her nips. Like a moth to a flame, McKenzie's tongue hones in on Nikki's cunt with the accuracy of an expert sharpshooter. It doesn't take long before Nikki is a gooey mess, with her ass sliding around the leather due to the scads of vag juice.

After watching the way Asa maneuvered the vibrator in her mouth, McKenzie tries to do the same thing to her bottle blonde friend. Although she manages to plug her up quite nicely in the beginning, she knows her hand can deliver a much stronger blow. To prove the point, McKenzie pulls Nikki to the edge of the chaise by the tits, jabs her spike boots into the floor, and begins the hardcore session. "Fuuuuck!" Nikki wails, as McKenzie continues to slam the toy in and out of Nikki so fast that the toy becomes a blurry mess to the naked eye! "Quiet down. Take it!" McKenzie warns, switching hands when the other one begins to tire.

Nikki is very happy to act out her sexual revenge once the dominant role is reversed. "Let's see how well you can take a licking," Nikki contends. Yanking McKenzie's legs apart like a wishbone, Nikki rests on her belly and goes to work polishing up McKenzie's creamy clam. She pulls up the sides of her pink pussy with the edges of her teeth and then releases to snap the meat back into place. "Smash that tongue against my clit," McKenzie finally says between screams, darting her hips up to connect with Nikki's tongue.

As they conclude their scene, it becomes quite obvious that having these girls waiting around with all of this pinned up sexual frustration was

Armstrong's plan all along. In the end, he gets from the girls exactly what he wanted all along. Brilliant!

Before the day ends, the ultimate lesbian triangle starring Sophia Santi, Jazy Berlin, and Jesse Capelli, converges into what becomes the hottest display featured today. Their scene begins with Jazy and Jesse on either side of Sophia, fighting to get her attention. Jazy yanks on Sophia's right leg, while Jesse tears open the left, eventually rendering Sophia into the splits. With enough pussy milk to satiate both thirsty kittens, the girls go down on Sophia together, tangling their tongues into knots while trying to enter Sophia's hole in unison.

"Now, now girls!" Sophia charges, grabbing both blonde heads at their roots, and guiding their tongues against her slit one at a time. This eventually makes way for a fiery finger assault that has digits from two sets of hands vying for vaginal domination. Sophia's warning becomes more stern—"Easy. There is enough for both of you!" Finally, the girls have no choice but to settle down and play nicely. However, the niceties are very short lived.

After the thorough plugging of Sophia, the girls position themselves in a doggie train that has Sophia eating out Jazy, while she in turn gets her bum rushed by Jesse. Jesse, at the end of the train, wags her ass for the camera, offering an unobstructed view of her tight pussy and asshole. "I want some, too," she blurts out once she's had her fill of Sophia's buttocks. Quickly thereafter, she joins Sophia in her vaginal exploration of Jazy's juice box. "Fuck, this is delicious!" Both girls agree.

As the vixens transition into the next position, Sophia gets busy slamming Jesse with a black toy while Jazy masturbates to the sight of the two sexy fuckers. "You two look so fucking hot!" She mouths repeatedly; eventually leaking her approval all over the sofa they are fucking on. As each girl explodes with their gooey gushes, the day comes to a smashing close.

Although I could only attend one day's worth of filming, I've been told that also including in this stellar line-up is an outrageous scene that has Jessica Jaymes and Nikita Von James tearing up Kina Kai. And if that weren't enough to wet your whistle, visions of Mia Presley riding out her fingers and Jayden Cole making nice with a vibrator in two solo masturbation scenes ought to do the trick. Either way you slice it, director, Brad Armstrong and crew have got you covered. The only thing left to do is whip out your cock and aim for your favorite girl. With 14 to choose from, you're guaranteed a perfect hit! ♣

The Write STUFF!

(continued from page 20)

knows as much about cars as I do about Shakespeare. I made her to be about 25 years-old, with blonde locks down to her shoulders, sexy green eyes, and a sweet face that could melt butter. Sheepishly, I asked her what was wrong.

Sarcastically, but with a smile and half-laugh, she answered, "Gee, if I knew that I wouldn't be standing here in the rain, fearing for my life in this neighborhood, now would I?" I simply shook my head "No," got out and looked under the hood.

I know a little about cars, but still I'm no mechanic. I tell her, "I think you blew the head gaskets, but I'm not sure. In any case, you'll need to be towed."

She answered, "Oh, no. I'm in a hurry, and I'm scared to wait here by myself. I'll call AAA for a tow, but can you take me where I need to go?" "Of course I can," I said.

After the call was made, she got into the cab. Thanking me, she said her name was Marie and we exchanged pleasantries. She wanted to go to this swanky hotel in Midtown Manhattan. I told her it was going to be 80 dollars. Instead of that being a slam-dunk, Marie said, "Listen, Joel, I can give you the money, but I have a more interesting offer. I'm a journalist and right now I'm writing a piece about the art of seducing men who least expect it. I'm actually on my way to meet my Editor to talk about the project. Don't get me wrong; I'm not a whore. I'm not going to fuck you, but I'd like to give you a little show."

I sat in the front seat with my mouth open. This chick winked then preceeded to unbutton her blouse and let her full Cs pop out. She tweaked her nipples between her thumb and forefinger till they grew pointy and erect. You better believe my cock followed suit. She managed to lift one boob toward her mouth, then lashed her tongue out so that it touched the pink nipple. Damn, this was a porno movie come to life!

I was real scared I was going to have an accident and began to pull over, but she told me to keep driving. With one eye on the road, the other was fixed firmly on my rearview mirror so I could see the back seat. I drove on,

slowly and not so surely. Then Marie flipped her dress up and pulled her white cotton panties to one side. Apparently, putting on a show for some poor schnook was a turn-on. I could see her pussy lips glisten like fresh dew on a mountain. She then began to play with her clit, taking the pink nub between her two fingers and rubbing it back and forth. "It's cool, Joel, you can pull out your cock and play along," she cooed. I was a little shy, since I'm not exactly hung like John Holmes, but I couldn't let the opportunity slip away.

As Marie toyed with her clitoris, I began to move my hand up the shaft of my cock. I, too, rubbed slowly, for I wanted the moment to last. I could see Marie's twat visibly get wetter. She was watching me as I was watching her! It was a minute to be preserved in time—or at least in my memory till death! Her breath sped up, and I thought she was going to cum. But, there was another surprise in store.

Marie opened her bag and pulled out a small silver vibrator. I think girls call it a "pocket rocket."

Opening her thighs wide, she eased the object into the opening of her pussy. I think I gasped along with her. The sight was so hot and the episode was so overwhelming that I was in another galaxy. Stuff like that simply never happened to me. She twisted the vibrator inside her cunt. I guess she had turned it on, since I could hear a soft hum.

Deeper and deeper it went, and pussy juice literally began to spurt from around the object. Just as I saw her shudder, I could feel my own impending orgasm. The semen shot from my cock, between my fingers, and onto my pants. Marie moaned, took several deep breaths, then screamed in triumph as—in one motion—she drove the dildo deeper then pulled it out, leaving a trail of girl-goo to splatter my back seat.

It took a few minutes, but we each managed to compose ourselves. I continued driving till we reached her destination. She then tried to pay me, but I shook my head. I told her the fare—and tip—were more than covered. She got out and told me to check my local newsstand in the near future. My story might make the bright lights. I think I beat her to it. Thanks for the opportunity.

WONDER WOODS

My husband is a fantastic lover in bed, and a fun person to be around. The problem is that he travels a lot for his job. Sometimes he'll be gone for four or five days at a time. That's when I get horny and head for the woods. After all, at 27 years-old, I still need my itch scratched—and often.

My favorite turn-on is to masturbate in the wide-open spaces. All of my adventures have been solo experiences—strictly limited to me stripping naked and finger-banging my hot pussy. That was, up until last week.

I was at my favorite spot—a secluded stretch of land on a high slope overlooking the city—it's a beautiful view. On this particular night, the sunset over the city touched my romantic soul and I was moved to build a little nest for myself out of fallen leaves, strip off my one garment—a long fur coat I'd worn for years—and jump into the soft bed of leaves for a session of serious finger-frigging.

"My hips were thrashing around in the leaves and I felt my first climax!"

The orange sun dipping into the horizon was a breathtaking spectacle. My breath was also taken away by my fingers dipping into my velvety pussy. I helped my moist cunt lips apart with one hand and I thumbed the sensitive little nubbin of my clit with my other, while I inserted two fingers into the eager maw of my hungry fuck-hole.

My hand began to saw in and out of my snatch, and I heard myself moaning and swooning out of control. I frigged myself with one hand and allowed my other one to roam all over my thighs, belly, and up to my big, brown-nippled boobs. I plucked at the nipples and tugged at them hard. This urged me on. Soon, my hips were thrashing around in the leaves and I felt my first climax approaching.

My hand sluiced in and out

of my drenched cunt, until—in a blinding flash of sheer pleasure—my entire body was overtaken by a tremendous orgasm. The lips of my oozing gash clenched themselves around my fingers; my clit sent sparked bolts of pleasure ripping through my body. Even in the outdoors, amid the wondrous scents of nature, I could smell the musky aroma of my cunt, which was now virtually dripping with female love juice.

Ten minutes or more passed while I composed myself. When I finally opened my eyes, I experienced two shocks; a minor one when I saw that it was already dark out. The moon had not yet risen, but the stars were starting to come out. I then received my second shock. Standing some 20 feet away was a young man, about 19 years-old. He was tall, blond haired and—from what I could see in the twilight—fairly well developed in the chest and shoulders.

I was thinking of what

explanation to offer as to why I was naked in the leaves, with my fingers still buried in the splay between my spread legs. Then I saw no explanation would be necessary. For this handsome young man hid his jeans unzipped and was casually stroking his erect cock. I rose on my elbows and watched.

"You're not going to hurt me, are you?" I asked. "No," he replied simply and shyly. "Well, I'm not going to hurt you, either. I just came out here to have a nice time, so bring that beautiful slice of meat over here and share it with me."

He didn't answer, but continued to stand there, stroking his bulging cock. I went to him and hugged him, pressing my heavy tits against his muscular chest. My hand went to his and pushed it away from his jutting pole.

"You don't need to do that now.

That's what my pussy is for," I emphasized. I undressed the dumbfounded gent, led him over to my makeshift bed of leaves and pulled him down on top of me.

My hands were all over him. I ground my full breasts up against his smooth chest as my fingers trailed over his powerful arms and shoulders, then down his back and slender hips to his firm ass. He moaned when I Frenched his mouth. I arched my back and slammed my lush beaver up against his hard and throbbing cock. With every thrust, I craved his whopping manhood, but he had a surprise in store for me.

Although I figured him as somewhat inexperienced with women, he moved his face between my legs, suctioned his mouth to my wet, palpitating gash and began tonguing me like a true expert. He lapped at my labia and nibbled at my clit until I climaxed, creaming and thrusting my crotch against his face. I drenched him in a flood of female cum juice.

Then he repositioned himself, and his rod was deep inside me. Not all at once, just the giant mushroomed head at first, teasingly stretching my pussy lips. Then he slid easily into my tunnel, followed by nine sleek inches of eager cock. I pressed him against me, until his huge prick was

buried to the root in my soggy gash.

He fucked like a professional, using long, even strokes on me, accelerating his speed, varying the tempo to draw me out, stirring his invading rod around and around in my fervid sheath, until, at last, he poured the coals to me full force. He slammed his hard manhood into me, driving his pelvic bone against mine as he pistoned in and out with lightening speed..

My arms and legs encircled him, pulling him even closer. I moaned and gasped as a titanic climax overtook me, sending me to new realms of orgasmic pleasure. He was groaning, too. Suddenly, he exploded in me, and I was filled with the surging jet stream that poured from his hard fire hose of a cock.

We embraced in one another's arms. Much later, we parted, stood and tried to find our clothes. The moon was out by this time—a full one the lit up the vast night sky. Then we smiled and simply walked away from each other.

I've missed having his long prick inside of me these past few days. Next Friday, my husband will be flying to California for a few days. And I hope to have an appointment in the woods!

GRAY GOOSE

You know what they say: Bartenders get all the action. That's especially true in my case. I'm a hot female—one of those aspiring actresses who needs to make a living. I'm 24, with blonde hair, green eyes, a slim body and firm Cs. I work at an upscale bar in the downtown section of the city. The bar I work at caters to older, more sophisticated gentlemen. You're probably thinking that a hot, young girl like me is into bad boys. Nope. For some reason, I've always preferred older, more mature guys. Of course, I've never had trouble getting laid with guys at any age, but a little gray usually translates into a more knowing lover.

I've gone out with a couple of

my customers, but nothing too serious—or sexual—ever really developed. Then, last Wednesday, things changed. It was a slow, rainy night. I figured business would be dead, so I was watching "Dancing With The Stars" on tv when in walked a rugged-looking gent. I put his age at around 50. He had on a tweed jacket and no tie. There were "lines of character" etching his face; a set of deep blue eyes that seemed to twinkle, and what I like to call a "naughty" smile. He sat down, said hello and ordered a Johnny Walker Black straight up. I could tell he knew the score, if you know what I mean. At first he was kind of quiet, but when one of the stars tripped

DIRTY WORDS

over herself on tv, we both started to laugh. At that point, he told me his name was Jack and that he was in town on business. When I asked what he did, he just smiled and wryly said, "Whatever I have to!" Hmm, I always thought irony was sexy.

I poured him another shot and he offered to buy me one. I don't usually drink with the customers, but since we were the only two in the place, I didn't refuse. Well, one shot led to several. The more I drank, the sexier I found him. When he told me he was a sucker for green eyes, "especially on a younger woman," I felt myself melt a little. Instinctively, I leaned over the bar. That's when our lips met in an impassioned embrace. His tongue certainly had been around the block a few times.

We mashed our teeth for several minutes. I then walked out from behind the bar, went to the door, put the "closed" sign on, and sat next to Jack. He put his hand on my knee then let his fingers trail up my thighs. I had on a short dress—sexy attire usually translates to bigger tips—and skimpy panties. His strong fingers pulled those panties to the side, and he then began to massage my ever-moistening slit. His index finger slipped inside my hole, as he certainly knew the geography of the female anatomy.

With his digit still inside, Jack pushed me back so that my body was splayed out over several stools. While most young guys would simply be anxious to stick Mr. Dick inside, Jack was in no rush to glory. As I threw one leg over the top of the stool, he lowered his head and then I felt his tongue begin a glorious journey. The man—like most his age—knew how to savor a pussy. He lapped away with skilled strokes. My clit throbbed to the rapid beat of his tongue and I never wanted him to stop.

Before I knew it, he had opened his zipper and pulled out a fleshy seven inches of well-traveled cock. I rolled off the stool and onto my knees. I've never been that into sucking dick, except when the guy knew how to properly eat a

cunt. Jack certainly knew how and I really wanted to show him my appreciation. Even though I'm young, that doesn't mean I don't know a trick or two. I told him to hand me the bottle of expensive scotch. I then poured a "shot" right over his dick. As it flowed off, I lapped it up, along with every inch of his manhood. I could tell he was very impressed! (Of course, my boss would have fired me on the spot; not for blowing him, but for wasting the pricey booze!)

He pulled his hard cock out of my mouth and pushed me onto the floor of the bar. Jack then mounted me. He was superb, fucking me with just the right intensity, stroking away slowly, inch by inch, then increasing the speed of his plowing. I could feel him bring me into him deeper and deeper. He took his time then changed position a little, lifting my leg and pounding away from the side. To really make me know his name, next he pulled out entirely and began rubbing my clit between his thumb and index finger. It was a maddening, beautiful experience. And just as I felt myself going over the edge, he returned his dick to the inside of my wet cunt and started fucking me hard and deep. That was all I needed to go over the edge—far over the edge! It was one of my most intense orgasms ever and Jack, too, had an explosive eruption. After we composed ourselves, I put the "Open" sign back on (and boy, was I ever "Open" before), then returned to the bar to pour each of us another shot. It turned out to be a nightcap since Jack said he had to get up early tomorrow for a business meeting, but he promised to come back the next time he's in town. He left me with a knowing smile—and a very generous tip!

HEADSHRINKER'S COCK SKILLS

I'm a real sucker for fascinating, brainy men. I look really good, so I meet my share. I run into them everywhere—on the street, in the park, on line at the bank—the list goes on.

My most recent interesting lover was a psychiatrist named Henry. I met him at a bookstore near my apartment. He was browsing the bestsellers, too, and we started to talk about our favorite writers. When he told me he was a psychiatrist, I

said, "I thought they all had beards. You look too young and clean-shaven."

He laughed and said he was actually the city's youngest psychiatrist, and that although he was dedicated to his work, it wasn't the only thing he was interested in. He invited me to his office for a drink when he was done for the day with his patients.

I got there in the late afternoon and his office was rather

bright. "I always open the shades after my last patient of the day," He said. I could see into the other apartments from Henry's window.

Henry brought me a drink and we sat on the couch talking. He was such a handsome man, and what a listener! "Are you trying to figure out what makes me tick, doctor?" I asked, realizing I'd told him a lot about myself.

"What makes your pussy tick?" He said.

"Why doctor, what kind of language is that?"

"Psychiatrists are human. We get horny, too."

"Well, how do you expect me

to explain what makes my pussy tick when you have all your shades open?" I said, half-jokingly.

"Well, I hoped maybe you'd like to fool around while all my neighbors watched. I'm not only the city's youngest psychiatrist, but definitely the kinkiest—an exhibitionist, you see. I don't mind if my neighbors see my cock going into an attractive girl's pussy!"

"Well, showing off is not my kink!" I said, laughing. "But, close those shades and I'll tell you what you want to know."

Henry pulled the shades down. "Explain away," He said,

sitting back down with a smile.

I began to strip off my clothes. "An intelligent, appreciative man makes my pussy tick," I whispered, sliding my bra off. "A man who likes to look at me and makes no secret of it. An honest man—like you. Some girls would have been shocked by a guy asking a girl what makes their pussies tick, but not me!"

"This is my lucky day," said the city's youngest psychiatrist.

When I was done taking off my dress, I peeled off Henry's clothes. His cock was big and stiffening in my hand as I licked it all over. Then, I slipped it into

my mouth and began to suck it hard. Henry put his hands on my head lightly and told me how good I was doing.

When he was really stiff, I climbed on top of his prick. "I can't believe a respected doctor like you would fuck with the shades open," I said, feeling his large meat stretching me. He played with my nipples and kissed my neck.

"I only said that to test your reaction," Henry admitted. "Of course I wouldn't really do that. I'm the city's youngest psychiatrist, but not the dumbest!"

Henry lifted me up in his arms. His arms were strong and he turned me over so that I was on the couch and he was fucking me from on top. "Maybe I should be mad at you," I said. "Playing games with me that way—testing me!" My pussy was so hot from his hard fucking that I couldn't get angry, and when I smiled, Henry knew that all was forgiven.

He fucked me faster and I held onto his ass. He really had a good body, and as he fucked me, I looked around his office and saw a tennis racket and a few trophies for jogging and swimming—definitely an all-around athletic kind of guy.

"Is your pussy ticking yet?" he said, thumping into me. He lifted up my ankles to give himself better leverage.

"TICK, TICK, TICK!" I said, rubbing my clit and staring at Henry's shaft as he slammed it back and forth in me. I was making jokes, but I was also seriously horny. Then for the next few minutes, I didn't say anything. That's because I was moving up to an orgasm.

When I finally began to cum, it was while his cock was still banging away inside me. "Keep fucking me while I explode!" I cried. "Don't stop!"

When I finally calmed down, Henry grinned and said, "Do I have the all-clear signal now?" When I nodded, he gracefully took out his cock, held it over my tummy and shot out one of the biggest loads I've ever seen. My belly button was flooded with cream! Sexy Doctor Henry had a healthy mind in a very healthy—and disciplined—body!

FULLFILLING ALL HER NEEDS

My boyfriend has a foot fetish. I hope I'm not doing the wrong thing by indulging it! I mean, when we started talking to each other and hanging out, we did all the normal things. Oh boy, did we fuck and suck those first couple of months! I couldn't get enough of his beautiful, large dick. I slobbered over it, I'm afraid. You'd never know I'm a dick-slobberer from seeing me in the normal world, but put me behind doors with something like my Jeffrey has, and...well, I drool—a lot!

It was heaven to feel him sliding it between my pussy lips and going up inside me. I loved to see him over me with his strong chest, fucking me slow, but steady, until I couldn't help but

don't want to yet, Hayley, not tonight. Let's keep the focus on your feet for awhile."

Since I'm open-minded, I moved back to the top of the bed so that he could go back to massaging my feet. Only this time, he used his cock and not just his hands. He cupped his shaft between my soft soles and rubbed it up and down. I swear, I never saw his dick head so red and shiny. I moved one of my big toes over and touched his pee-hole and the instant I did, so much pre-cum oozed that I thought he was going to shoot out everything. However, Jeffrey took a deep breath and held it in, saying, "I admit I have a foot fetish. I was afraid to tell you until you

and licked off all his delicious cream. He watched me and didn't lose his erection for an instant. When I was done tidying up my feet, I licked up whatever was left on his dick.

"Now I'll give you what you want," Jeffrey said, sounding guilty that he'd indulged his fetish. He moved me back on the bed and put his cock inside me. I asked if he wanted to rest first, but he said he didn't have to, that he was so turned on by the fact that I didn't mind he had a foot fetish that he was going to be able to fuck me maybe two or three times. But, when he was close to cumming, I told him I wanted to see him shoot on my feet again. I wondered if that was a smart thing to do, but I wanted to see it again. When Jeffrey pulled out of my pussy, he shot an even bigger load. He was so aroused that he was barely able to get his dick down to my tootsies in time. I scooped up that load and ate it, too.

Well, now I wonder if I opened a Pandora's Box! We spend about 50% of our time foot-fucking now, and 50% regular fucking. I love them both, but I wonder if that percentage is not normal? Shouldn't we have kept it 75% straight fucking, and 25% foot fucking? I asked my best girlfriend and she said, "Hayley, if it feels good, don't worry!"

Isn't it funny how we judge ourselves? Maybe I've been waiting all along for a guy to fuck my feet as well as my pussy, but now that I've got it and love it, I wonder if it's "Okay?" People's minds are complicated, I guess—just like their sex drives—Exploring New Horizons —*Little Rock, AK.* 🍀

"Shouldn't we have kept it 75% straight fucking and 25% foot fucking?"

cum all over his cock.

I did notice that he was interested in my feet, too. He didn't overdo it, just gave them little rubs now and then and kissed the toes quickly before moving onto other things. But, then one evening, he was giving me a real serious foot massage and I got extremely turned on. I mean, we were both naked and I saw how hard and leaky his cock was as he kneaded my soles and tugged at my toes. I took my feet out of his hands and scooted over to his dick and licked up his pre-cum. Then he moved his dick away and said, "I'm so turned on I might shoot off in your mouth, but I

could see how well I could do other things."

"Oh, that's perfectly okay," I said, squeezing his prick between my soles like I was giving them a hug.

"You don't know how close I am to cumming, Hayley. But even if I do...with pretty feet like yours...I'll be hard again in no time!"

"Show me if that's true!" I said with my best naughty smile and three tight strokes on his rod. Before he could protest, he was spraying out his cum like a geyser! It rained all over my toes and in steps.

I reached up my feet to my mouth—I'm flexible that way—

Mmmm, I want to suck your cock so bad!

PLAYTIME!

Our new contributing editor, Ivy O'Neil reviews sex toys while still trying to concentrate on all her other work!

JESSE MOANS WHILE YOU LICK!

Hey, isn't Jesse Jane one of the hottest girls around? I'm bi-curious, and I'd like to try her just like most guys would. Since it's probably not going to happen any time soon, even though I work in adult magazines, I'm willing to be satisfied with Jesse's Sweet Talking Pussy from Cal Exotics. You might think that girls don't use these kinds of toys, but we do. I can practice my pussy eating on this lifelike replica of Jesse's wonderful peach, and since it comes with a removable voice box with Jesse's authentic moans, if I close my eyes I can actually start to imagine that Jesse is wiggling and bucking under my tongue! (Wait a minute, I'm getting my panties in a bunch here. I better to the ladies room for a few) So, where was I? Ah yes, Jesse's Sweet Talking Pussy. Soft and stretchy, made of TPR, I can press my mouth against the lips, or slip my fingers into its lifelike tightness and really feel that Jesse is with me! Now you can too, and you have a dick to use on it as well! Sometimes I envy guys! Find it in the Virtual Sex Toys section of www.calexotics.com.

TOUR AMOUROUS ASSIGNMENTS!

Here's a cute item that can lead to some inventive play: The Lover's Dart Board from Cal Exotics is double-sided and comes with four magnetic darts and ten commands. If you're in the mood to tease your partner or be teased, just agree that both of you will firmly obey whatever commands you get when you toss your darts.

Maybe you'd like to screw, but the dart lands where it says you're only allowed to "Caress or Kiss." Or maybe your girl wants to rim your butt, but fate says she's only allowed to "Tickle or Suck!" See, it's fun giving up power sometimes, and who knows what kinds of adventures you can have with each other when you hang up a Lover's Dart Board in your bedroom and allow it to direct your actions. Of course, you can also use it at your next orgy, and it will help everybody get their amorous assignments straight! My bed-buddy, Brick, sometimes says that I make sex too complicated, but what's complicated to him is just "adventure" to me. Why settle for the same old in-and-out? Get a Lover's Dart Board and see where destiny takes you with one toss of a dart! Go to the New Products section at www.calexotics.com.

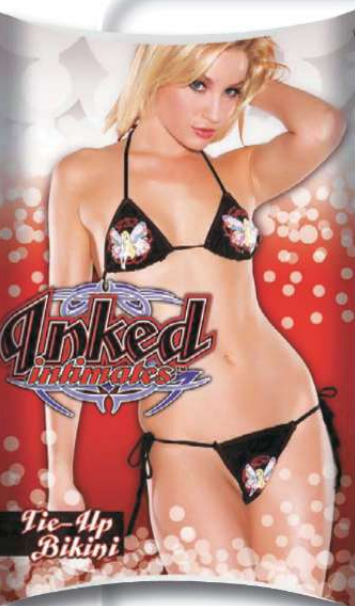

Guys and gals, I hope you enjoyed my suggestions this issue. Come back next time for more, and until then, have yourselves a Playtime to remember!

EYE-PLEASING INTIMATES!

If you've been reading this column, you know your Ivy likes to dress up and have fun. If the editor ever wants to send me to a "Furries" convention, I'll be ready!

Furries are people who feel sexy dolled up in plush toy costumes like giant teddy bears. But, most times, I just go for more regular forms of dress up such as cute lingerie, like Inked Intimates from Cal Exotics! With cool tattoo-like designs on the bikini, which fits most sizes and is made of 92 percent polyester and 8 percent spandex. I love to walk around my apartment and tease my sometime-bed-buddy, Brick. He prefers me in the Inked Intimate Bikini, but I've had success get-

ting his cock hard when I wore the Inked Intimate Wraparound Teddy, too. And if your girl looks good in a tube top and boy shorts, well, Inked Intimates come in that style also. I'm not going to say that wearing this stuff is going to make your lady look just like the one in the picture, but there is a good chance she is going to feel sexy like the girl in the picture, and under your hands! Lingerie does that to us females. Go to www.calexotics.com and look for these items in the New Products section!

PRETTY LITTLE DEMON

WHERE'S
THAT
HORNY
DEVIL
ABIGAIL!?

26719

That little vixen Abigail! Where is she now? You knew you shouldn't have gotten involved with an 18-year-old college brat, much less let her move into your place, not that you're so old, but still...girls that fresh and so damn up-to-date are unpredictable, they even speak a different language. Just look at the stuff they text each other—it looks like the enemy code guys used to try to break in World War II.

Wait, she's in the shower. Does she want to be alone with her thoughts? Maybe she'll let you in, if she isn't moody anymore? The funny thing is, since you let her move in,

she hasn't given you as much pussy as you got when she was still living in a dorm and you were taking her to motels.

Oh man, look at her as her back is to you. "Abigail..." You say against the noisy splash of the needle spray. "Abigail, baby?" You like how they name girls with the old-fashioned names now, like Sarah, Hannah and Mae—there's something sexy about the ancient handles on the new chicks. "Oh, baby," you say loud. "You want me to join you? You're not grumpy at the world anymore? I just want wash your back."

Yeah, sure, Just wash her back. She's got your number, doofus, and that's why you've let yourself in for it—the whole shebang. Look at her wet in her pretty little top and the way she's using that toy and showing you that pussy—and yes, yes, you'll get down on the tiles if she says so, who cares if you're wearing your suit from work? She wants you damp, she wants you down, she's got you between those lips and there's nowhere else you'd rather be! ♡
